

PATENT  
81206-306044

**REMARKS**

The Filing Receipt for the above-referenced application was issued on January 28, 2004. The Notice of Allowance was issued on December 13, 2004. However, both documents indicate the inventor's name incorrectly. Accordingly, applicant seeks to correct his name as set forth in the Filing Receipt and in Notice of Allowance to ensure that his correct name will be set forth on the issued patent. A copy of a redlined filing receipt is enclosed for your reference, as well as copy of the Declaration from the parent application (Serial No. 08/904,695 filed on August 1, 1997) filed with this application.

Respectfully submitted,
